

Climate Bulletin

A Quarterly Newsletter from Ghana Climate Innovation Centre

[ABOUT GCIC](#)

Dear Reader,

Welcome to the third quarter edition of the Ghana Climate Innovation Centre (GCIC) newsletter!

In this edition, amongst other articles, we delve into the story of Christie Brown, a visionary entrepreneur determined to elevate Ghana fashion to global recognition with sustainability at its heart.

We also bring you a thought-provoking gender story that explores the empowerment of female-led Climate Entrepreneurs through digitalization, and a link to one of GCIC's latest green videos, featuring cohort 7, energy efficient entrepreneur, Jacgk Trust.

**PUTTING HER FASHION
WHERE HER MOUTH IS**

CHRISTIE BROWN - PUTTING FASHION WHERE HER MOUTH IS

Christie Brown, a renowned Ghanaian fashion house and Cohort 6 business in the Ghana Climate Innovation Centre (GCIC) Incubator, is built on the legacy of countless artisans and visionaries that came up before it. Ingenuity and a pioneering spirit are at the core of what continues to inspire Christie Brown today and in a strategic move to make the business sustainable, the fashion house is mindful about reducing its carbon footprint.
