A Quarterly Newsletter from Ghana Climate Innovation Centre

[ABOUT GCIC](#)

We are delighted to share with you the latest edition of the GCIC newsletter, your source for insights and developments within the dynamic climate ecosystem.

In this edition, we shine a spotlight on one of the early entrepreneurs in our Incubator, Desmond Koney. His venture, Complete Farmer, secured a noteworthy pre-Series A funding round totaling US\$10.4 million, earmarked to fuel the expansion endeavors of Complete Farmer, furthering its mission to revolutionize the agricultural sector.

We also invite you to read the communique from our recent Incubating Climate Innovation Symposium and to watch our event video online with the links in this newsletter.

We hope you find this edition both informative and inspiring. Thank you for your continued support of GCIC and our mission to drive innovation and sustainability in Ghana's business landscape.
